GOD OF OUR FATHERS

God of our fathers, whose almighty hand
Leads forth in beauty all the starry band
Of shining worlds in splendor through the skies,
Our grateful songs before thy throne arise.

Thy love divine hath led us in the past,
In this free land by thee our lot is cast;
Be thou our ruler, guardian, guide and stay,
Thy word our law, thy paths our chosen way.

From war's alarms, from deadly pestilence,
Be thy strong arm our ever sure defence;
Thy true religion in our hearts increase,
Thy bounteous goodness nourish us in peace.

Refresh thy people on their toilsome way,
Lead us from night to never-ending day;
Fill all our lives with love and grace divine,
And glory, laud and praise be ever thine.

ALMA MATER

Dear Alma Mater, smile upon thy children,
Gladly we greet thee, altogether lovely;
Peace be within thy classic halls and temples,
Hail, Alma Mater dear!

Hail to the heroes who have gone before us,
Young men and maidens filled with true devotion;
Bright is their glory, fadeless and undying.
Hail to our heroes gone!

Hail to our classmates, bound by ties ne'er broken,
Here once again we pledge our vows of friendship;
Brave hearts and true hearts sound aloud the chorus:
Long live our comrades dear.

Dear Alma Mater, tenderly thy children
Gather and bring to thee gracious salutations;
Comrades, your voices lift once again in chorus,
Hail, Alma Mater dear!
